

Documents Needed to Register for the Childhood Neurodevelopmental Disabilities Exam

You need to gather these documents IMMEDIATELY. The registration link will go live on 1/26/2018. If you do not have the documents, it will delay your registration and reservation in a testing center.

Get the documents and put them into one Word document (use the images as inserts) and use the “print” to get to “save as PDF”. Then all will upload at one time. If you have Acrobat Pro, you can do it without going through Word.

1. Letter of recommendation (professional-colleague) stating that you practice Functional Neurology with Children
2. Letter of character recommendation stating that you have integrity and high ethical standards
3. Proof of training to take the exam. Janet can send you a summary of what you have completed if you have not already received a certificate stating that you completed the program.
4. Copy of your license to practice in your field (DC, MD, NP, PT, OT, etc.)
5. Photo of yourself
